

URGENT

MARCH-FOR-LIFE

ALERT

JANUARY 23, 2012

THE WOMEN'S RIGHT TO KNOW ACT (HB 1077)

- Requires that abortion clinics perform an ultrasound at least 24 hours before an abortion (or provide a list of other ultrasound providers, including pregnancy care centers).
- Requires that pregnant women be informed of their right to view the live ultrasound image of her unborn baby while the test is being performed.
- Requires that printed photos of those ultrasound images be provided to women.

THE STATE HOUSE IS ACTING SOON 3 WAYS YOU CAN HELP TODAY!

1. Call your State Representative today and urge support for HB 1077 - the Women's Right to Know Act.
2. Call your State Senator to urge support for HB 1077 when it comes over from the House.
3. Share this flyer with pro-life activists, church members, Facebook friends and email lists. Urge action today.
